

Why List Your Website on the ResourceShark™ Global Directory Index?

Dramatically increase awareness of your brand. Take advantage of *Multidimensional Connectivity™* to extend the reach and impact of your Internet presence. 90% of searchers haven't made up their mind up about a brand before starting their online search. (Status Labs, 2018)

Steadily grow the number of well-qualified prospects for your business, practice, organization or product. Get more website visitors, more inbound phone calls and more foot traffic to your location(s). Content marketing produces 3X more leads than paid search advertising. (Content Marketing Institute, 2017)

Quickly turn your site into a powerful data generation vehicle. Leverage newfound intelligence and well-targeted communication to measurably improve the ROI of all your data generation activities. Organic SEO delivers 5X better results than paid search ads. (New Media Campaigns, 2018)

Actively promote your organization through frequent Blog posts and Social Media blasts. Streamline the efficiency while reducing the costs associated with your blog and social media updates. 47% of buyers viewed 3-5 pieces of content before engaging with a sales rep. (Demand Gen Report, 2016)

Stay ahead of your market competitors. Receive useful reports and analysis. Find profitable new opportunities and maximize your visibility to your most promising customers/prospects. Experts anticipate that B2B e-commerce sales will outpace B2C e-commerce sales by 2020. (Ecommerce Platforms, 2018)
